

# Student Transition Action Plan Template

Once you have completed the Student Transition Benchmark Self-Assessment and set priorities for action, this template can assist in planning and implementing your action targets. The Student Transition Action Plan Template is intended to support collaboration among stakeholders in moving forward on specific innovations and improvements based on the results of the benchmark self-assessment. It is suggested that this template be used for each targeted benchmark and its associated indicator.

Benchmark	Indicator to be developed	Outcome to be achieved	Lead(s)	Actions	Timeline
