

THE COUNCIL OF MINISTERS OF EDUCATION, CANADA (CMEC) is an intergovernmental agency providing leadership in policy development, program administration, and research at the pan-Canadian and international levels. Located in the heart of Toronto (steps from the St. Clair subway), CMEC is seeking a:

BILINGUAL MS ACCESS DEVELOPER, LEARNING ASSESSMENT PROGRAMS

Full-time position, 6-month contract

Current annual salary range: \$73,644-\$95,136

Search area: within commuting distance of 95 St. Clair Avenue West, Toronto

CMEC offers the opportunity to work in a dynamic, collegial, and bilingual environment that promotes professional development and career advancement.

Position summary

The MS Access Developer will design and develop applications to support data collection and verification to be used with several important databases that are critical to input, track, analyze, and report on large bodies of data. In collaboration with team members, the Access developer will review existing applications and databases to identify areas to increase efficiencies. The incumbent works directly with a data specialist, data officers, analysts, managers and reports directly to the Coordinator, Learning Assessment Programs.

Key responsibilities include:

- planning, designing, testing, and customizing MS Access applications
- conducting functional testing before deployment and supporting resolution of issues
- providing input into the design of current MS Access applications and databases and identifying areas for improvement
- assisting with assessment activities using MS Access databases to collect and store data

Key qualifications

- University or college degree in computer science or related discipline
- Minimum two years' experience developing MS Access applications (including forms, table designs, queries, and reports)
- Excellent understanding of and hands-on experience with software development tools including MS Access 2019, Excel 2019, VBA, macros
- Experience in gathering user requirements and creating solutions based upon requirements
- Excellent command of French and English, both written and spoken

- Excellent organizational and task-management skills, together with the ability to plan, prioritize work, multitask, and meet tight deadlines
- Excellent problem-solving skills
- Strong attention to detail
- Highly collaborative, with strong interpersonal skills
- Ability to work independently and as part of a team
